EVERYTHING STARTS WITH A BIT

REPORT

2016

Inauguration

12th August. DAY 1

As per our culture, the day started with a small opening program.

The Lamp was lit with a hope that it will enlighten us during our course of actions

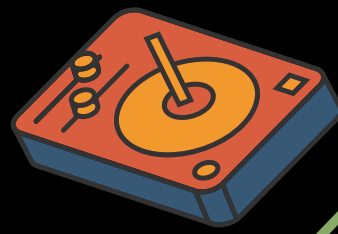

The stage as set on fire as the crowd welcomed our chief guest for the day Mr.Suhrudh Wardekar, a leading Marathi actor who is also an ALUMNI of the College.

GAMING

12th & 13th August. DAY 1 & 2

E-gaming always proved to be a major student attraction. A Classroom fully modified into a "Gaming Paradise".
PASSIONATE gamers. **HEART PUMPING** music.
Fun UNLIMITED.

Games Played:-

DOTA 2-played 1 vs 1, Single draft mode
COUNTER STRIKE-played 1 vs 1, Minidust_2
NEED FOR SPEED-Played sprint race of 4
participants

A Special Attraction
was the MINI MILITIA championship.
This Multiplayer Mobile game has a huge fan
following which helped us to organise
it at a bigger scale.

TREASURE HUNT

12th & 13th August. DAY 1 & 2

2016

This 2 day Mega event Challenged the participants both physically and mentally. Unlike other games, this treasure hunt made the participants to scan barcode and solve the clues in order to complete the task given. Of the 86 teams only 9 qualified for the final round which consisted of anagrams and secret ciphers .

THE CODER

12th August. DAY 1

Quenching the thirst of young talented coders, this competition proved to be a ground to test the individuals logical and coding skills

THECNICAL POSTER PRESENTATION 12th August. DAY 1

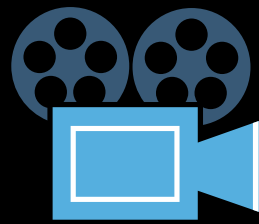

This was a competition where knowledge met creativity and technicality. Participants were expected to make a digital poster on any tech-related topic and later present the same to the judges

MOVIE MAKING

13th August. DAY 2

A Short Film making competition which triggered "that" other side of students who had a knack for art and direction.

SEMINAR

13th August. DAY 2

A Seminar on DATA ANALYTICS conducted by one of our ALUMNI which guided the students informing them about the benefits and working of the field

WORKSHOP

13th August. DAY 2

The Workshop, also conducted by one of our ALUMNI gave the students a hands on experience on software testing programmes like ellipsis .

BITFEST 2016 focused on
felicitating our **ALUMNI** students
who have fared well in life and
established themselves. They are
nothing, but pure inspiration .

**A BIG THANKS TO ALL THE TEACHERS,
STUDENTS, AND EVERYONE ELSE WHO
HELPED US DURING OUR COURSE OF
ACTION**

**SPECIAL THANKS TO
MRS.DEEPIKA SHARMA**
