ORGANISES

TWO DAYS WORKSHOP ON E-CONTENT FOR PEDAGOGY FOR DEVELOPMENT OF FACULTY IN MANAGING E- CONTENT FOR TEACHING-LEARNING-EVALUATION PROCESS
DATE: 13TH & 14TH OCTOBER 2017

VENUE:
Pillai College of Arts, Commerce & Science
Dr. K. M. Vasudevan Pillai Campus
Sector 16, New Panvel - 410 206
Maharashtra, India

Dr. K. M. Vasudevan Pillai
Chairman and CEO, MES

"We are committed to provide a holistic education based on new generation academics that creates not just powerful global career options for our students, but which empowers them to become key contributors to the community and the environment in which they live. We strive to achieve nation building through character building and we do so through an approach of mentoring"

Dr. Daphne Pillai
Principal, PCACS and Secretary, MES

"In this fiercely competitive world, success has several dimensions far widespread than the vortex of academia, spreading its tentacles into diverse fields on which one has to be adept in. Our objective at Pillai's has always been to create a climate conductive to 'endeavour' that students can unleash their untapped potential. At Pillai's, we will provide you the right environment which will enable you to fulfill all your aspirations and ambitions."

Prof. A. N. Kutty
Vice – Principal, PCACS

"Harnessing the creative energy of the youth and providing a proper direction is perhaps the biggest challenge of today faced by all great educational institutes, as the main hope of a nation lies in the proper education of its youth. We at Pillai's have ventured to transcend beyond the narrow confines of academic education and embraced the contemporary dimensions of educating in totality. We provide the right environment with appropriate support system to ignite the spark of creativity and innovativeness in students to give vent to their innate abilities. We certainly will not rest on our laurels but endeavor to excel all our aspirations, dreams and ambitions to scale new heights of glory in our mission to provide an excellent institution of learning for our Dear Students."

Pillai College of Arts, Commerce and Science

Pillai College of Arts, Commerce and Science was established in the year 1998 by Dr. K. M. Vasudevan Pillai Chairman and CEO, whose vision was to provide students of Navi Mumbai with quality education in a high-tech atmosphere. Dr. Daphne Pillai, the principal of PCACS, is a leading educationist for over 30 years. Dr. Daphne Pillai is also the Chairperson of the Management Board, Mahatma Education Society and co-founder of the Pillai Group of Institutions. Mahatma Education society runs 48 educational institutions where 35000 students study annually. The aim of the institution is 'Our endeavor is to take all the efforts to make sure that students graduate from Pillai's to become a successful professional in the corporate world, excellent researcher, dedicated teacher or an entrepreneur with a vision of creating a business empire.' Pillai College of Arts, Commerce & Science has been awarded the "BEST COLLEGE" by The University of Mumbai, "Best infrastructure Award" by Lokmat group. Pillai College has excellent faculties in all branches and the latest teaching aids, audio – visual equipment and modern laboratories and state of art auditorium. The libraries are well stocked centers of information for students and faculty members. College is well equipped to conduct any kind of educational programs. Know more: http://pcacs.ac.in

About the Workshop

In the current era, where technology is rapidly evolving, education has also taken the support of ICT and now offers convenient ways to help increase the knowledge, education and literacy status of people. E-learning platform provides anywhere, anytime easy access for up gradation of knowledge. Information technology and the Internet are major drivers of research, innovation, growth and social change. The growth in Internet has brought changes in all walks of life including Education. E-Content includes all kinds of content created and delivered through various electronic media. Our Workshop on E-Content for Pedagogy will help the participants to enrich their academic interaction skills, to setup a Google classroom, an introduction to Prezi and Moodle softwares are intended to give hands on experiences through the sessions conducted in the Computer Lab
