Presentation on Successful Interventions

The image shows a woman with glasses and a patterned jacket standing at a wooden podium. The podium features a sign for FEDCAP with the tagline 'The Power of Possible'. Behind her, a large screen displays a presentation slide. The slide is titled 'Poverty' and includes two photographs: one of a woman in a blue headscarf holding a child in a rural village, and another of a woman carrying a child on her back with other children nearby. Below the photos, the slide lists three source URLs: <http://www.economylead.com/blog/anant-mishra/eliminating-poverty-in-india-economic-impacts-of-agriculture-and-poverty-1>, <http://www.sumit4all.com/life/why-india%E2%80%99s-rural-development-is-important-for-the-nation#sthash=5nSElJIVrpv2Sq7H.dpbs>, and <https://talkingissues.wordpress.com/>. A laptop and some cables are visible on a table in front of the screen.
