Introduction

The Innovation and Entrepreneurship Development Centres (IEDC) of Pillai College of Arts, Commerce and Science (Autonomous) aims to provide students an opportunity to experiment and innovate. A Centre that aims to familiarize students with the entrepreneurial journey and provide them with access to high quality mentorship and global exposure.

Vision

The vision of IEDCs is “to promote and enrich entrepreneurial culture among students and faculty by developing and strengthening a support system that will facilitate to create an entrepreneurial ecosystem within PCACS

Mission

To develop an institutional mechanism to create entrepreneurial culture to foster innovation and entrepreneurship skills amongst the faculty and students of PCACS.

Objectives

- 1.To promote an innovation driven entrepreneurship culture among the students
- 2.To develop and promote commercially viable innovative products and solutions from the students.
- 3.To promote entrepreneurship among budding technopreneurs and thereby creating more employment opportunities
- 4.To bridge the gap between Industry and Academia

Functions

- 1.To create a platform for the young brains to develop their skills
- 2.To provide Management Skill Training to the students and Faculties in building their innovative product or solution.
- 3.To create awareness and interest among faculties and students through workshops and seminars.
- 4.To motivate, support and mentor students for identification, development and commercialization of their innovative ideas
