Chairperson & Principal

ABOUT MILLENNIUM UNIVERSITY

Millennium University is a multidisciplinary high quality tertiary education provider Accredited with both the Malawi National Council of Higher Education (NCHE) as well as the Malawi Accountancy Board(MAB). We offer Bachelors Degree Programmes and Post Graduate Programmes in a dynamic, energetic environment that benefits our students both personally and academically. Our vision is to be a leading centre for educational excellence in Malawi in teaching and research that contributes to the national development in Malawi and beyond. If you have a goal to grow both personally and intellectually while also helping the community at large, Millennium University is the perfect partner for you Our mission is to offer quality education that both nurtures students and satisfies the needs of our society and our community through the pursuit of education. We do this by never compromising our standards and making sure our students' intellectual capacities are fully explored. We take our core values very seriously and believe they provide both our faculty and our students the skills to bring the best out of them and also keep them accountable during their time here and beyond. Our core values are:

- Excellence
- Integrity
- Discipline
- Commitment
- Accountability
- Creativity and Innovation

Our main goal is to provide quality, relevant, value based teaching to allow our students to become productive both for themselves and the wider community in general. We manage this by having highly dedicated academic and administration staff, a progressive outlook alongside state of the art facilities. We focus on ensuring students are engaged both academically and in other pursuits so they learn how to turn challenges into opportunities so they're in the best position when they enter the working world. If you think Millennium University is the key to unlocking your brightest possible future, don't hesitate to contact us about our open days. These will give you the chance to take a look at our state of the art facilities and get a feel for our campus and the surrounding areas of Blantyre. We believe that our alumni are in the perfect position to be innovative entrepreneurs and multifaceted executives and want to support those looking to reach these goals themselves. Whether you're looking to take advantage of our incredible expertise in business and management, education or even graphic design, Millennium University is an institution dedicated to helping all of our students meet their potential. Take a look at the courses available and see if one of the most exciting and dynamic educational bodies in Malawi is right for you.

About the College:

Pillai College of Arts, Commerce and Science (Autonomous) vision is “Education for All”. To fulfill our vision, we welcome students from diverse backgrounds irrespective of region, religion, caste, economic strata and academic performance. University Grants Commission, New Delhi has conferred Autonomous Status to Pillai College of Arts, Commerce and Science on 24th June, 2019. The institution has risen from a simple beginning in 1998 to be the most popular institution catering successfully to the needs of rural, urban and global students with eight under-graduate and four post graduate programmes to over 4000 students. The institution is permanently affiliated to the University of Mumbai and recognized by U.G.C. under 2(f) and 12(B). The college is ISO 9001:2015 certified and is accredited by NAAC with the prestigious ‘A’ Grade in all the three cycles of accreditation. Under an autonomous status, the institution aims at bridging the gap between academics and industry by introducing industry relevant courses and diploma programmes, which will give wider educational choices to the students and add to their employability quotient. Standardization of College Examinations is sought to be achieved through strict adherence to the Examination Policy framed by the institution under an autonomous status. The Institution would be developed as a hub for research and innovation. There will be a lot of scope for industry-oriented skill development built-in into the system which will give the students a placement edge in the market.

About the Workshop:

This workshop will fuel the mind and give appropriate ways to think right on your research and its outcome. The workshop will cover various areas of techniques of research from identifying research problems to writing a research report. It is a complete package a researcher should know about. “If we know what it was we were doing it would not be called research, would it?” Albert Einstein well defined every researcher’s character to know more and more can be thought on the area of research. This workshop on research methodology will help you to open all those closed areas which have to be explored to find new avenues of research output.

Essential requirements to attend Workshop (Course work/ FDP of seven days):

- **Filling the registration form is mandatory.**
- Last Day of Registration with filling form with details of fees is 22nd May 2021 till 4.00 p.m.
- Attendance is mandatory for all sessions. For course certificate of Merit will be provided after attending the examination on the last day.
- Zoom.us ID and Password will be provided 30 minutes prior to the webinar.
- E-certificate and physical copy of the certificate will be issued to the participants
- Limited seats available (rights of selection reserved with the organizer)
- Registration Fees: Rs. 750/- to be paid after confirmation from the organizer.
- E files of data will be provided to the participants and participants should be ready with the files for practice.
- Participants can download a free version or trial pack of SPSS from <https://www.ibm.com/in-en/analytics/spss-trials> for practical sessions. R software, “Megastat” and “Mystat” are free and open source software (FOSS) available which can be also used during training.

(GHAZIABAD), U.P.

FOUNDER

RESEARCH SHIKSHA

SCHEDULE FOR SEVEN DAYS WORKSHOP

SESSION-I

11.00 AM- 1:00 PM

SESSION-II

2:00PM - 4.00PM

26.05.2021 Wednesday Searching database Bibliometric Analysis

Dr. Rahul Pratap Singh Kaurav (Gwalior), M.P.

27.05.2021 : Thursday: Measurements Introduction to Variables
& its Types Types of Data:- Nominal data, Ordinal data, Scale Data

Dr. Raju N (Calicut) Kerala

28.05.2021 : Friday: Sampling Design &

Formulation of Hypothesis

Hypothesis Testing-Parametric -ANOVA and Post Hoc Tests

Dr. Chirag Malik (Gurgaon), Haryana

29.05.2021: Saturday: Hypothesis Testing- Parametric- One Sample And Two
Independent Sample T Test

Hypothesis Testing- Non-Parametric

Dr. Chirag Malik (Gurgaon), Haryana

30.05.2021: Sunday Regression Multiple
Regression- II

Dr. Ajay Chauhan (Ghaziabad), U.P.

31.05.21: Monday Types of research paper, basic format, writing
of abstract, identifying

research gap, Citations in research paper,
selection of journal for publication impact factor etc.

Dr. Keyur Nayak (Vapi), Gujrat

01.06.2021 Tuesday: Statistical tools in research (R & SPSS)

Using JAMOVI (FOSS) for Statistical analysis

Dr. Raju N (Calicut) Kerala

&

Dr. Rahul Pratap Singh Kaurav

(Gwalior), M.P.

01.06.2021 Tuesday: Time : 4.00pm to 5pm: Test of 60 Marks: Pillai Research
Centre

PATRONS

Dr. K. M. Vasudevan Pillai
