2,555 responses

21). Give three observations / suggestions to improve the overall teaching – learning experience in your institution.

Recommendations of students

- More skill learning programmes could be introduced for students for free. More exposure to the new and upcoming courses. Focusing more on practical life than on bookish knowledge.
- 1) Teaching should be more based on Industrial exposure 2) Teachers must help students to identify their interests and field for further education
- 1. Use real time examples to explain 2. Use videos to explain for better understanding 3. Recap all the topics explained at the end of the lecture
- Their should be test series conducted each week.difficult topics should be thought again
- 1. Communicate more to bridge the student-teacher gap. 2. Students must be motivated to participate more in class activities such as problem solving etc. 3. New and creative/innovative ways of teaching to hold the attention of the students might be beneficial
- Encourage active and practical learning. Provide for meaningful teacher-student interactions. Update Teaching Method.
- 1.More emphasis on skill based learning and promoting entrepreneurial skills in the students.
- 2.Transforming the education pattern by including vocational courses and professional courses. 3.Use better graphics and visual media to engage students well.
  - . Interactive communication must there between teachers and students. 2. Required knowledge must be provided regarding placements opportunity. 3. No suggestion
